Hail and Farewell

During the year we have gained and lost several of our membership due to many factors.

Welcome to the new members we hope that you will enjoy being a part of the Chesapeake Bay Roost.

From the President

John's Corner

Welcome back from summer vacation, I do hope that everyone had an enjoyable, restful time. We, the board of directors have been very busy lining up the program for the coming meeting year. We have arranged for some very interesting speakers to come a share their knowledge with us. We are still seeking speakers for 2011-12 activity year. If you know of anyone or there is a specific subject you want to know more about, let us know and we will attempt to get someone to address the subject.

The Board of Directors currently has an urgent need to fill four (4) positions. We must have the assistance of the membership in order to accomplish this task. The positions require two years of service to the membership planning and supporting the activities of the roost. I ask each of you to consider serving in a roost leadership capacity.

Jim Chism has done an outstanding job of taking care of the Roost this summer. I have been either ill or away from the area for most of the summer. Also Roger Chang has done a great job in running the scholarship program and being the liaison to AOC and USCYBER Command for the upcoming conference.

Again, I ask the membership to step up and take part in the leadership of the Roost. We need new talents and fresh ideas as we move forward. Think about how you can make this the top Roost in the AOC.

Again, welcome back and let's have a great meeting year.

John

John Hawkins
